For the convenience of the citizens wrote it at her own tuneral, and then of Arlington, A. H. Osborn, druggist turned it upside down and trampled of Belleville has opened a small upon it. Perhaps that might explain ranch drug store in Mr. Williamson's the discrepancy between the date of office, opposite the depot, which will e open from MA A. M. to 4 P. M.t where proprietary medicines may be obtained. Mr Osborn will make it a rule to be present from 2:30 to 4 P. M. for the purpose of preparing physi-

cians' prescriptions. Miss S. Emma Cowell

Those who aftended the readings and recitals of the charming young elocutionist, Miss ShEmma Cowell, at Loomis' Temple of Music, last evening, of a bright career in the department companied by seven supplements, with notice: of study and art which she has judi- obituaries on one side, and tributes or voice has great flexibility and a natural took five mailing clerks to direct the melody well adapted to the various marked copies.

McSmith's Experimen

Chas Joel McSmith was an editor. He was a good editor-in his way; but edge that at least one of his experihis was such a devious way from other ments was a success—that that one at men's ways, that his editorial venture least was no chimers of the brain. was not, at the first wincess. He had The motto of his paper nor is waste backet. many faults-chief of which was his "Count omnes?" peculiarity for experimenting. The greater part of his experiments were made to increase the circulation of his paper (a small weekly that only differed from an amateur paper in that it was run by a man instead of a boy.) One of McSmith's experiments, and the only one we shall mention here, was start ling, not to say be wilderingly, original.

It was this: cents a line for obituary notices, which interest will be kept up. his mind. He would raise the sub- such a convenience, and the sooner schratton of what he styles the Board. Eddor Journal-Guzette

scription to \$1.50, and the oblivaries something is done about it the better. To yeg and to the article in the Journal. Dear Sir. - Upon a re-perusal of the Mr. D. B. Foller, of Philadelphia, to others than his regular subscribers The besutiful weather of yesterday of charge, and of having a copy of the built and put in operation, for we not they indulging in any other conversasurprise as was the cold wind which the plan to increase his circulation. followed the rain storm of Tuesday. and it worked like a charm.
